

FOR COUNSELLING CENTRES ON THE SUBJECT OF ABORTION.

Please also forward to your sister branches, if possible! Everyone has the right to choose and for it to be a good choice, you also have to know all sides and the respective **consequences....**

Give the women who come to you to read this text - even if you cannot/would **not** believe! Please do not deny them this chance....

RE: THIS IS WHAT HAPPENS TO WOMEN WHO HAVE HAD AN ABORTION IN THE AFTERLIFE....

The video is not even 3 minutes long, you should spend it. In case you can't watch it, a short summary: Mr. Irlmaier, in his capacity as a well digger, visited a farmer he didn't know. In front of the window he saw the soul of the deceased farmer's wife and how she nervously rubbed her hands and looked in at the parlour window full of remorse. It was immediately clear to Irlmaier why she was not allowed to enter eternity:

She had aborted a child out of wedlock....

"Alois Irlmaier could see ghosts".

<https://www.youtube.com/watch?v=-mFcCjXY-E>

The woman was not allowed to enter eternity and one should pray and say mass for her. That still gives some hope, but there is nothing worse before God than killing your own child!

Who was this Irlmaier, and why should you give anything to him?

* 8 June 1894 in Scharam near Siegsdorf in Upper Bavaria; † 26 July 1959 in Freilassing

Alois Irlmaier, was a devout Catholic, a devotee of Mary, had to support his wife, 3 children (one of them adopted) and his parents. He did not enrich himself with his gift of sight, although he suffered from enormous financial hardship throughout his life, but lived from digging wells and finding water veins. Under National Socialism, he kept his abilities secret (everything occult and related to clairvoyance was persecuted), but after the end of the war, those seeking advice came to him openly, and en masse, there were still over 1 million Germans missing...

"... Farmers ask where their hens or cows have gone astray, what the weather will be like and when they should mow; refugees want to know when they can return to their homes; thieves ask about the thief; women want to know if "he" will marry them, if they will have children, or if they should get divorced; mothers inquire about their missing sons, even the criminal investigation department has turned to him several times, demanding and - receiving clarification about mysterious murder cases. Quite a few politicians have been there to find out their chances of success..... "

Münchener Merkur, October 1949

Between 1946 and 1950, 50 to 100 or more people a day sought Irlmaier's advice, especially at weekends. If you extrapolate the corresponding figures, it is likely that up to 30,000 people queued up to see Alois Irlmaier during these 4 years!

In 1946 the priest Westenthanner saw this and accused Irlmaier of fraud, it came to the famous

"Juggler Trial"

The trial lasted two days and during the hearing about 40 witnesses spoke positively about Irlmaier's vision, some of them with such unbelievable details that the judge had no choice but to acquit the visionary. Irlmaier's warnings about the bomber attacks on Freilassing and Rosenheim also played a role in the verdict.

"A few days before the heavy bombing of Rosenheim, Irlmaier visited the city on the Inn. On this occasion he described the coming disaster with pinpoint accuracy. Referring to the large bunker erected in the Salin Garden, he prophesied: Those who will be in the middle will get it; those who will stay at the entrance, nothing will happen to them. Word got around. When the engines roared over Rosenheim and the bombs fell, the people in the bunker actually moved away towards the entrance, i.e. to where it was actually most dangerous. Only a few soldiers, mocking Irlmaier, stayed in the middle of the bunker. And it was there that a bomb fell and tore the soldiers apart; nothing happened to the other people."

Altbayerische Heimatpost, 6 November 1949

According to the Bayerische Landeszeitung, Irlmaier already saw the hit on the bunker when it was **still under construction!** When the large air-raid shelter was being built in Rosenheim, he warned with the following words:

"If there is an attack, don't go into the middle! For there I see all the rubble and feet and heads sticking out. Therefore, stay at the exits!"

*"... More than forty witnesses were called. Many witnesses proved perfectly that the Freilassing psychic accurately predicted **day, hour and location of many bomb blasts, saving many people from certain death.....**"*

Landshuter Zeitung, 12 April 1950, page 5

The judge wanted proof of Irlmaier's psychic gifts and Irlmaier replied that the judge's wife was at that moment drinking coffee with a strange man at home and that she was wearing a red dress.

The bailiff was sent to check it out. It was true, of course, and Irlmaier was acquitted.

The lasting impression the man left on the judiciary can be seen in the reasons for the sentence (scan original document, easier to read transcript on the next page):

Hinweis dafür, dass er ein Gaukler sei. Er hat im Gegenteil vielen Menschen während des Krieges geholfen die Nervenbelastung des Luftkrieges durchzustehen. Er hat ihnen uneigennützig in schwersten Stunden seelische Beruhigung verschafft, indem er zutreffend vorhergesagte, welche Zeit besondere Gefahren mit sich bringe, welche Gegenden, ja welche Häuser besonders gefährdet seien und wie sich die Ratsuchenden verhalten sollten. Die Vernehmung der Zeugen Himpel, Stadler, Wallner, Hiebl und Kagss hat so verblüffende mit den bisher bekannten Naturkräften kaum noch zu erklärende Zeugnisse für die Sehergabe des Angeklagten erbracht, dass dieser nicht als Gaukler bezeichnet werden kann.

Die Kostenentscheidung beruht auf § 467 StPO.

"[...]...indication that he was a juggler. On the contrary, he helped many people during the war to get through the nervous strain of the air war. He unselfishly soothed their souls in the most difficult hours by accurately predicting which times would bring particular dangers, which areas, indeed which houses, were particularly at risk and how those seeking advice should behave. The questioning of the witnesses has **produced such astonishing testimonies for the seer gift of the accused, which can hardly be explained with the previously known forces of nature, that he cannot be called a juggler** (= fraudulent clairvoyant). [...]"

Wikipedia still claims he was a fraud, and does not allow the above screenshot! You can read on the website how they lie and deceive:

"3) Irlmaier, impostor or prophet"?

<https://www.dieparusie.de/3-irlmaier-betr%C3%BCger-oder-prophet/>

Here is a woman who did not believe Irlmaier:

You could bring him a photo of a missing person and he would tell people what was wrong with the person, very often it was about whether the person would come home from the war. Since the woman had no missing persons, she took photos of people who had already died and presented them to Irlmaier to test him.

Look at what came out of it:

"Irlmaier the Mind Reader" (less than 1:30 min)

<https://www.youtube.com/watch?v=-y3rUGkeUZU>

How could Irlmaier know that the men in the photos were already dead? How could he know that the woman also already knew that? Irlmaier proved his abilities **TEN THOUSANDS of times** in the course of his life! **GOD WAS WITH HIM!**

Merkur reporter Herbert Frank travelled to Freilassing to see for himself Irlmaier's visionary abilities. And he experienced something astonishing:

"Irlmaier bored his gaze into me, leaned back, furrowed his brow, almost completely closed his eyes, stared ahead of him and began: 'I see...' And then followed descriptions from my life's journey, individual experiences, character traits, details about people close to me.... A wave of blood rushed into my head, my heart stopped beating, I thought I was losing my footing. He spoke as if I myself were unpacking my very own secrets. Triumphant he exclaimed: 'That's right! I was no longer able to speak a word.'"

Münchner **Merkur**

Irlmaier's Countdown of the Apocalypse:

"What Caritas Sister Maria Luise Bender learned from Alois Irlmaier, the clairvoyant on release, in the 1950s:

'Girl, you are experiencing the great upheaval that is coming!'

1. **First comes prosperity like never before!** (Economic miracle 50s/60s)
2. **Then follows an apostasy like never before.** (Materialism, church resignations, etc.)
3. **On top of that, a corruption of morals like never before.** (Almost everything is tolerated or even becomes a "value").
4. **Then a large number of foreign people come into the country** (refugee crisis 2015)
5. **There is great inflation. Money is losing more and more of its value.** (2022, comes true)
6. **The revolution soon follows.** [in Germany]
7. **Then the Russians invade the West overnight**

In 1959, the year of his death, Irlmaier was asked whether his predictions were still valid. He replied:

"I see events even more clearly today because they are closer".

Irlmaier prophesies and describes in detail a new great war that will begin in midsummer and whose omens and course you can read about on the website. There are precise warnings for many places, and in some cases Irlmaier even tells you which motorway you should take... In the course of the war, countries bordering the North Sea, such as the Netherlands, England and northern Germany (Hamburg! Kiel! Bremen...) will be **flooded** all the way to Berlin, and we can already see today how the course is being set:

"Then a single plane comes from the east and throws an object into the big water - near England. Then the water rises like a single piece as high as a tower and falls down again. There is an earthquake and everything is flooded, almost all of England and the European coasts all the way to Berlin."

Alois Irlmaier

"From the east, a plane flew over the North Sea towards the west. As it approached England, I thought it was going to crash into the sea because it suddenly sank. As it did so, I saw something being dropped from the plane. The plane continued to fly at great speed. Immediately afterwards there was a terrible detonation. The water of the sea was thrown high into the air and all I saw below me was spray and foaming, steaming water. It was carried far into the land and buried everything under it. I saw no trace of land; I thought it had sunk." **Josef Stockert**

Russian TV recently threatened to sink England in the sea with the nuclear Poseidon Drone:

*"Ten weeks after the Russian invasion of Ukraine, Russian state television turned threateningly to the British: **Effortlessly, Moscow could, if it wanted, make the entire British Isles disappear into the sea.**"*
"RedaktionsNetzwerkDeutschland

Other key events of the war (3 Russian tank wedges, US drone attack to ^{cut off} Russian supplies...) are also already emerging, see website...!

Irlmaier also says how the war would end, and at this point he confirms Christian prophecy regarding the **Last Judgement**, a three-day eclipse will end the war:

THREE DAYS OF DARKNESS AS THE LAST JUDGEMENT!

*"During or at the end of the war, I see in the sky the sign,
THE CRUCIFIED with the stigmata, and all will see it. I've seen it three times already, it's coming for sure."*

"...At this event I see a great cross standing in the sky, and there will be an earthquake with thunder and lightning, so that everything will be terrified and the whole world will cry out:

"There is a God"

Alois Irlmaier (1894-1959): "It will be dark on a day under war. Then a hailstorm will break out with thunder and lightning and an earthquake will shake the earth. Then do not go out of the house. The lights do not burn, except candlelight, the electricity stops. If you sniff the dust, you get a cramp and die. Don't open the windows, cover them with black paper. [...] After **72 hours, it's all over.** But again I say it: **don't go out, don't look out by the window, keep the consecrated candle or the wax stick burning. And pray.** More people die overnight than in the two world wars. [...] Don't open a window during the 72 hours. [...]"

Josef Stockert (1947) "Thus I saw angels of death go forth and empty their poisonous bowls over all mankind. Whole nations will die ... The great catastrophe will begin naturally and end supernaturally. Think what that means, **natural** and supernatural! **God himself will intervene.** The earth will be thrown out of its orbit and the sun will give it no more light. **Darkness will be on the whole globe for 72 hours.** In this darkness no light will burn, except the light of faith and consecrated candles, which will be preserved for everyone who has faithfully fulfilled Our Lady's request. True Christians will close and cover windows and doors at this time and gather around the cross and the image of the Blessed Virgin in prayer ... **Do not look out and do not be curious** about what is going on outside, otherwise you will have to die! ... Two-thirds of mankind will have been taken from the earth ... It will now be a fruitful time of peace." The Seer's epilogue reads:

"When I saw the terrible judgment of God, I was broken inside. Days, weeks and years passed, and as often as I thought of that terrible night, I was broken anew."

Anna Maria Taigi (1769-1837): The other judgment comes from heaven. A dense darkness will come over the whole earth, lasting three days and three nights. This darkness will make it quite impossible to see anything. Furthermore, the darkness will be connected with pestilence of the air, which, **though not exclusively, will mainly carry off the enemies of religion (!)**. As long as the darkness lasts, it will be impossible to make light. **Only consecrated candles will be able to be lit and give their light.** Anyone who opens a window out of curiosity during this darkness and looks out or goes out of the house will **fall down dead on the spot**. Rather, during these three days, people should stay in their houses, pray the rosary and implore God for mercy."

"Many people don't believe me, I don't know what the Lord God is doing, but I can say what I see without wanting to be a prophet. After all, we are all in God's hands. But whoever does not believe in the cross, it will crush him."
Alois Irlmaier

I could quote further warnings at this point, but I will leave it at that. The eclipse has been predicted over **50** times!!! through all centuries in many countries, on the website you will find a link to further warnings before it. These people have hardly agreed among themselves.... Even Americans on Youtube are now warning about the "Three days of Darkness"... If one combines these warnings (see website), one realises: The darkness is the **sixth of the seven seals - the apocalypse before the return of Jesus Christ!**

The sixth seal causes the earth to shake, the sun turns black, the moon becomes like blood and the stars fall to the earth (Rev 6:12-17).

Jesus will appear on the third day in the east with His angels and it will be spring.

*"When it's all over, some of the inhabitants are gone and the people are god-fearing again.
The laws that bring death to the children become invalid after the removal.
Peace will then be and a good time."*
Alois Irlmaier

If there is a God, Alois Irlmaier is the tangible proof for you. You have confirmed in court that his clairvoyance was not a fraud, **thousands of** correct prophecies and visions in such incredible details..., ordinary people from the street, the criminal police, the nobility, even the first chancellor Adenauer were with him, go to the website and see for yourself! The site is full of reports about Irlmaier, also reports from the "mainstream" such as the Bayerischer Rundfunk and even the SAT. 1 Frühstücksfernsehen... But here are two more examples from Stephan Berndt's book "**Alois Irlmaier - A man says what he sees**", which are not on the site for copyright reasons:

[...] Irlmaier is repeatedly described as a pious Catholic. Whereby one can ask oneself whether the term "piety" still hits the core here, after all, the seer had concrete experiences:

Without transition, he pointed at someone present and spoke:

"You were already locked up back there! You were just poaching, but they caught you at it."

After petty questions from some women, he abruptly said: *"Your farmer, who died in an accident years ago, is always walking around your house. Even now I see him standing at the window. Go to the Capuchin monastery in Lauf, have several masses said for him there, then he will find his peace."*

Those present were not a little taken aback and startled when they heard what was said. [...] S.30

"I stood there like a block of wood," Irlmaier continues, *"but since then I have seen this and that. Deceased people in such vile garments, sometimes the Lord God on the cross and all sorts of holy things, without my having wanted to."*

Münchner Merkur, 22/23 October 1949, page 9 [...]

p.24

**Alois Irlmaier is the rational irrefutable proof for you:
There is a God - and there is a THERE!**

There are no "clusters of cells", since the fusion of sperm cell and egg cell is already human - and thus sacred life! This also applies to the so-called "morning-after pill"....

**God doesn't care if we trample the seed or cut down the whole tree later....
In the end, a tree is missing from the forest....**

We are responsible to our Lord. You now know what happens to women who have abortions! The woman from page 1 also cared what people thought..., that's what she got! Helmut Lungenschmidt, who was shown the afterlife and who confirmed Irlmaier in everything (darkness, England sinking, the Second Coming of Jesus...), saw Jesus crying with an aborted foetus in his right hand. We are already loading guilt on ourselves if we even **vote for parties that** are pro-abortion! Whether that party has a realistic chance or not is irrelevant. We will already be judged by Jesus Christ for **that...! That's how strict it is!** What this means for you as a counsellor and your individual guilt over the years that only you know.... You are certainly not an evil person, you certainly always wanted the best for women, but often the following applies:

THE OPPOSITE OF 'GOOD' IS 'WELL-INTENTIONED'.

"Denn wir alle müssen vor dem Richterstuhl Christi offenbar werden, damit jeder seinen Lohn empfängt für das Gute oder Böse, das er im irdischen Leben getan hat."
2 Korinther 5,10

**I, TOO, SINCERELY MEAN ONLY GOOD TO WOMEN AND TO THEM!
PLEASE TELL THE WOMEN WHO ARE STRUGGLING WITH THEIR FATE THE FOLLOWING:**

"Life is a school, the harder it is, the better you have it afterwards. If you are in high school, a tough school (unwanted child), don't drop out without graduating by killing your child. You will bitterly regret it and never find a great job again....

Wear your cross with pride! Try to do the Abitur by loving and raising the child. If you don't want to do it at all, leave the Gymnasium with the Hauptschulabschluss or the Mittlere Reife, and give the child away... You won't have a career any more, but you won't be completely without a degree, as if you had it killed....

I would die for my brothers and sisters, and God also expects this of an expectant mother, that she also dies for her child if necessary. Even if the child is sick / handicapped / not viable, so be it! It must come into the world! My big sister Sabine was only a few hours old and died before I was born. When I was wondering how to go on with this letter, how to write to all the abortionists around the world, and was desperate, a voice spoke to me:

"We are all in God's hands."

I knew immediately who it was - although I never met her - and also that she is now a young woman....

Saint Padre Pio with the stigmata, Irlmaier, the Taigi... these people all just wanted to die. None of them was happy. Irlmaier was already a wreck during the war and because of the things he had to see, he suffered until he could no longer stand.... Our sufferings in life ennoble us before God, make us worthy of reward. God could have had all this with a snap of His fingers, instead He sweated blood in Jesus, allowed Himself to be flogged and nailed to the cross.... In all your sorrow always remember: God is always right and those whom He truly loves must suffer on earth.... The more you suffer and endure it, the greater will be the reward.... You have not made yourself beautiful, or clever, or talented, but what is truly sacred to you and to God: Your free will.

Take up your cross, you can have a real career now, a career for eternity!"

**Show pictures of the cut up fetuses (see below)...., she should give it away rather than murder it.
Keep them away from it at all costs!**

Jesus went to the sinners, now the worst sinners, the abortionists - to whom this letter went first in a modified form - get to announce His return - the so-called "**parousia**" - first! Guilt is a great motivator, the abortionists have the financial means, and the greatest sin stops altogether in some cases. Recognise the genius of the Creator! It is **not** the churches who are the first to know.... The abortionists have also been shown a way to pay off their debt: distribute flyers from the website to save lives, under **point 8) Help!** you can have a flyer distributed in any town, completely anonymously, on which the most necessary information can be found. You can warn a whole small town about war and punishment, without any effort. But what you now know also brings responsibility. Have the flyer distributed too, if you can, or distribute it yourself.... Jesus will stand by anyone who warns people of the darkness, He has promised us that....

The forthcoming **war** in great detail (there are concrete warnings for many cities and regions!), what will immediately precede it, everything about the three-day **eclipse** and the time **after** - because the **apocalypse** is not the end of the world - you will find on the page. It is a **lifeboat** for the Flood that is coming, you will be comprehensively prepared there and come safely through the floods. This letter is a little **lifebelt**, **keep it safe** and don't throw it away! You will drown if you do...

You will find this letter as an **e-mail** template and as a **PDF** (6 pages = 3 sheets of paper in duplex printing) to **print out/display/give away** and dissuasive abortion pictures "**Abortion Pics**" as a PDF (please print in colour) for the women under **point 9) "Save lives with Irlmaier today!"**.

Give this text to **EVERY** woman who comes to you! He will repay you....
